

STEAM CAMP

SCIENCE TECHNOLOGY ENGINEERING ART MATH

(Grades: K-7)

*Campers are split into different age groups

Get ready for an exciting summer with our STEAM Summer Camp! The camp is designed with a diverse range of hands-on activities, group projects, and interactive lessons where students will explore and learn all about the fields of STEAM.

From coding and robotics to biology and chemistry, the camp offers a wide range of STEM activities that foster creativity, critical thinking, and teamwork!

Small Class Sizes

We offer small classes of 3-6 dedicated to the needs of each student in an enriching learning environment.
